

Be a Hope Hero to a Local Cancer Patient and their Family

You can help one family struggling with cancer

For just \$400 / \$33.33 a month you can remove one worry for a family:

- Assist with their rent
- Buy food for their family
- Heat their home
- Buy gas for their car to get to treatment
- Help with prescription & other medical expenses

The Cancer Patient Support Foundation (CPSF) is a local nonprofit that helps patients and their families during treatment. Join us in our Hope Campaign.

CPSF

- Supports over 650 patients each year
- Over \$2 million has been awarded to local cancer families

OUR MISSION

We support cancer patients and their families, in Vermont and Northern New York in a time of extraordinary need, by providing financial assistance, underwriting counseling services, and acting as a resource during diagnosis, treatment, and recovery.

“You brought hope back into our lives. Your support literally changes lives. When you support this foundation you save lives.”
