(802) 497-3593 / rachel@futurefitvt.com

We'd offer Maggie Card Holders 10% off all packages and memberships for Future Fit services. Future Fit was born with the intention of shifting the paradigm in which people practice self-care. We dreamed of a space where people could feel a renewed sense of empowerment over their body. A space where people could feel supported, understood and liberated.

Our studio offers fitness and self-care services for people who don't have enough time. We've taken into consideration busy parents, employees and the aging population who often don't have the time or experience to begin a regular exercise routine.

Our services are also ideal for people who don't have enough time to exercise, who don't like exercising, those who enjoy challenging themselves and trying something new. In addition to our fitness services, like 20 minute

ARX Strength Training and Oxygen Therapy, we emphasis the importance of recovery and detoxification. Using cutting edge technology like our Infrared sauna, we can enhance muscle recovery, support healing from injury or illness, improve immune function and so much more.

I can arrange to meet at a person's home or other locations if that is easier for them - I can also see astrological clients on Saturdays at Sacred Vessel Tattoo in downtown Montpelier or work via online zoom, skype platform or email.
